

Projection

of the

Mother Lord Ann Lee

"She will be the projection of the Deific Motherhood, into, arch-natural tangibility, the Mother-God, personal and individual. She is not another person, but the person of the Godhead in her final revelation."—Sword, April, 1892. "She, shall be called the Lord our Righteousness."—Jer. 33:16. If this projection is to be her "final revelation," her first revelation must have been through Ann Lee when she was here physically, as the headstone of the Shakers.

Cyrus called her the "Mother Lord," and it is evident that she is the invisible Head of the New Jerusalem in her descent; consequently, the Deific Motherhood, that is to be projected into, arch-natural tangibility. We have the word of our Master, that Emmanuel Swedenborg and Mother Lord Ann Lee, were the heads of the Spiritual Heavens; who were to descend into Him! And also, that the Shaker's were to have "their second stage of activity." Mother Ann Lee was the founder and headstone of the Shaker Societies, and it is reasonable to suppose, that in her second coming, that she will direct their second stage of activity. This can only be made possible, through the conjunctive unity of the Shakers with, the Koresch Unity as Cyrus predicted.

Since there are to be so very many conjunctions it is highly necessary that we do not get confused, and intermingle the many statements made by Koresch regarding these conjunctions. Some merely see but one conjunction; others two and three, causing many unnecessary explanations. Over and over again Cyrus has explained that his first important conjunction was the one that occurred in 1870. Yet, many mix it with the seven year conjunctive unity, that commenced about Nov. 1908, which was quite a different conjunction, because of having its degrees and processes; consequently, not an instantaneous, haphazard tumbling together of matters! For "the processes of transmutation creates the gold of humanity." Therefore, he could well maintain, that interiorly, he would encounter with "six degrees of conflict," the six degrees that he told Edgar prior to his death, he had yet to pass through! These six degrees were to be met with interiorly in his passing through the dark "passage way of the Altar." To prove that one did occur in 1870, and that another conjunctive experience confronted him, I refer the readers to October 3, 1900 Sword. "Koresch has passed through, the experience of coming into conjunctive unity with, his, supra-conscious mentality, having entered the Throne of Deity; there yet remains the passage of the altar." Therefore, a second experience remained and a second conjunction with a second mentality, awaited him, after 1870.

Some reverse this, and say, that he is now having a conjunction with his interior supraconscious mentality, in order to transform his body to "incorruptible flesh," which is all a lie according to the above words of Koresch! He entered into the Throne per above excerpt, which he said was the "Intellect" or "Consciousness of Deity," which of course is quite different from his present passing through the "passage way of the Altar;" for the Altar work is of the will, the Jehovistic work, consequently not the work of the "insanguinated Deity" again, but of the "reincarnation of Jehovah." He is now using the mentality of Edgar to come into conjunctive unity with Edgar's supraconscious mentality, the "consciousness of Jehovah" and not of Deity again! Quite a contradistinction. His words prove, that this latter conjunction is "absolute," and confounds all other reasonings to the contrary.

"THERE MUST BE AN ABSOLUTE CONJUNCTION

of the circumferential (man) with, the Central (man)." Therefore, not again, with his own supra conscious mentality; but with the mentality or the consciousness of the Elisha when, Throne and Altar unite to produce in Edgar the "double spirit," the Elisha's "Double portion." Cyrus emphatically stated, that his own death would ensue and that his "dematerialization," was "his sacrifice" upon the "Altar of all human hopes." "The Altar in the natural degree, is, the theocrasis;" and through it "the humanity is burned, immolated and dissolved."—Sword, Feb. 1890.

Nevertheless remember, that means an interior conflagration on an interior altar; and not an exterior affair at all! Proven by the following, "The mentality is the flame of the refined alchemical operations of the affections, the soul force of the encephalic activity." The whole affair occurring within the brain of Edgar; therefore, within Edgar's mentality, the consciousness of Jehovah. Such processes and degrees for seven long years were operative and are now seeing consummation. "From within he will move every angel;" not one exception! It is, "The process of overcoming, etc. This science makes it possible, to effect,

ANATOMICAL CHANGES IN THE BRAIN."

Therefore, within the temple, of the body of Edgar. In a man's brain, the changes were to be wrought to obtain the Altar or will of Jehovah, within the "Central man," the "Center of affection," where the heat and flame abound! Sword Jan. 1893 demands, that your sex forces must be centered into, this "Central man" the sex center, for the purification of same by the High-priest Koresch, who now purifies the Sons of Conjunction. "At this Throne and citadel of life the work of purification, must begin! By, the conservation of, the potential energies of sex, and their sacrifices.

UPON THE ALTAR OF CONFLAGRATION,

that shall purify and make chaste the sources of being." Cannot you see that there is but one straight gate, but, one narrow way, the "Passage way of the Altar" Ed, the "nexus of transposition between the Fatherhood and the Motherhood?" In whom is the Supreme nuptial bed, whereon Cyrus has "laid himself away," and from which bed he is now arising, after his sleep of hibernation! The winter of discontent gives way for our Lord Cyrus to appear! It will soon be a spring time of youth and beauty! When "the process of overcoming is accomplished, through the science of life, and its application." Elisha's "absolute protection of this citadel and Altar of human origin, against the onslaught of the lecherous imps of hell, who prostitute and profane its sanctity," is now manifest!—At this citadel, the purification was begun; and never before this year of 1916 was Koresch a "Messiah," nor even an "overcomer!" Now "the Messiah will scientifically enter upon his work of instituting the processes of transmutation; which creates the Gold of Immortality."

Cyrus called the "Good" of the outer heavens, the "Gold of Immortality," and after purifying the "mortal" or "Central man," he becomes.

"A CANDLESTICK, ALL OF GOLD"

upon which Candlestick the Golden Bowl rests; per the prediction of the prophet Zechariah.—Fourth Chapter.—The woman, "Mother Lord Ann Lee, set upon his mentality to do her work with the "woman's power" that she endowed him with and which was "Co-equal and Co-eternal with Deity." The blood or the truth of the natural heavens that a natural woman held, was to be made flesh, the good or gold of immortality, in the "one form," the "complete man," and not in any woman's form.—The flesh of Christ is the invisible "spiritual body" of Mother Lord Ann Lee, which was visible alone to six natural women's "eyes of understanding." It is in such a "handle me not," body, that "Peter exercises his functions," as the High Priest of Levi to purify the Sons of conjunction. In the words of Cyrus used by Joshua, must save him from the insinuations of lecherous imps. So I will prove that the "Will of God" is the "Incorruptible flesh," to vindicate not only his part of the work, but my part as well, at the other end of the pole. "The change of spirit to matter, the matter of the flesh, is, but one part of the operation of the law of transmutation." Manhood pp. 74-75. The "flesh of Christ," the good and gold of immortality, an invisible matter! It is the gold or "veil, of the temple," that hides man from God, which is simply a temporary condition that must also be sacrificed upon the Altar even though it be gold! Sacrificed by the "pure in heart," in order to see God.—The holy ones see, the Lord; but, the most holy ones, see God.—And, there you are; all in a nutshell.

But to get back to my subject of the Mother-Lord and the Mother-God also the man, the "candlestick all of gold." The consumption of Cyrus "at" the center of "a group" is now a fact indisputable. That center is the "New Earth," and of the "Little Group." For the "Eight was, of, the seven." Cyrus was the seventh, the old angel and the old earth, with an intellectual consciousness, to be succeeded by, a "new earth," with both, an intellectual and affectional consciousness, to fulfill his statement, that "that consciousness

IS, THE ANGEL MAN,

having, the three heavens in him, which are the four beasts." Therefore, it is a devilish notion that Cyrus is having a conjunction now, in a natural concrete tomb! For, Cyrus declared, that the concrete will of God was the "new tomb of Joseph" wherein the resurrection takes place of the "one seed Christ," that was sown therein over 1900 years ago! And "She is the Christ, descending to meet the resurrecting man," according to July, 1903 Sword. Did not Koresch confess that the resurrection of Jesus from the grave "was not the real resurrection?" Be, guided by the Lord; for henceforth the illumination is direct, from the Lord Cyrus within his "physical domain." On the first conjunction in 1870 depended all of the future work of Cyrus! These are his own words, "The transformation depends upon, a conjunctive unity of, the natural, with the interior angel." That occurred in 1870 and Cyrus is no longer natural! The transformation of the spirit of the natural was to be "the made flesh," or the "Physic Force, thence to angel life!"

You can, therefore see who the liars are; and that there is to be, no more any coming out from any tomb, of the man Cyrus! "Once upon a time, he cometh out no more." Was absorbed by Elisha, in his being consumed on the fiery altar within the mentality of Elisha! So let him rest from his labours of the past, that faced him on this mundane sphere of life, for the sake of humanity and that of God. He is now passing from Psychic to angel life, in the consciousness of the "angel man." Very many years ago Cyrus wrote the following which proves, that he had, "consume" at the sex center, the "center of affection" the "Central man," the "White Stone," for nowhere else was it possible! Aug., 1915, a reprint "In the near future there will be the

TRANSLATION OF A GROUP, AT, THE CENTER OF WHICH,

Elijah the Prophet, will consume by Theocrasis; that is, he will dematerialize, and thus communicate a fire to others! It matters not to what extent our determinations are opposed by the weaklings, who, through venom of defeated rage, vent their malignancy! They make war, not on man, but on God! We declare further, that some through hatred, think to defeat the progress of our work, but will find themselves helpless, by virtue of the power against which, they foolishly contend! It is not safe to kick against the goads!

Because we declare that he has dematerialized in order to be consumed "at," the center, which is Elisha the center of "a group," their defeated rage has become apparent. Especially the malignancy of Allen Andrews and Dr. Morgan who holds the money bag, was manifest in their having such hateful lies printed and sent abroad to stop the progress of the work! Cyrus is dead, dematerialized and consumed "at the center," who was present to receive the laborator's baptism; for there was no hope whatsoever for him! "Cyrus the messenger must pass through this final transmorphosis." G. S. Vol. 2, p. 356. In his lifetime no "final" but a first experience obtained. "Koresch has passed through the experience!" This present invisible conjunction is the final one, thank God! It was the passage that remained for him to pass through! Seven years time was "too long a time to wait" for the some who loved death; and others who tarried got married. No marvel that Cyrus concluded that the "condition of the messenger" after the conjunction with the Central man, was harder to be understood, than, the "condition" of the messenger prior to, that conjunction!

Against the "woman's power" have they kicked, only to find how very "foolish" there contention was. This year 1916 will prove to be the leap year, "a year of years!" It is the year when, a leap of the loop shall be made! It is the year for the neuter genders; when the woman chooses her own husband, at, the "nexus," the "citadel of life." Watch for, the double leap! And know, that

"40 AND 6 YEARS, WAS THE TEMPLE IN BUILDING."

The "temple, of the body!" 1870, saw the culmination of one conjunction, one marriage, and in adding 46 years to 1870, we have the result, 1916, when another marriage will cause the "nuptial bed" to, smile broadly. It is not necessary for Koresch, to longer hide himself for the "likeness" is complete! The mystery of God-likeness was to be finished when, the seventh angel begins to sound the alarm in all his holy mountain! The word "Grace" in the Hebrew language means "Ann," so, we will have angels to shout unto the stone, Ann, Ann! Because it is a "White Stone," the "complete man, in whom are the three heavens that

COMPRISE THE FOUR PARTS OF THE WORD,

the four beasts."—Sept. 1900 Sword: For the sources of being were to be purified within, the "Nexus," the "Central man!" Estero and her coterie want no successor and no "new earth," so, what will become of them? Especially after knowing that the "four beasts" had been "represented by four persons;" and that "Before, the final unity" of the four beasts occurred, that they "culminated, in, two forms," "a man and a woman." And then, finally united, in the one form "in whom are the three heavens, the four beasts." These beasts had the "likeness of a man." Koresch told us that this likeness was the good; therefore, the God-likeness or Godliness, the will, the veil, the good, gold or "flesh of Christ" whose mystery should be finished when the seventh angel began to sound; which was not possible until Edgar had first involved the "four parts of the word."—Cyrus had the image or Throne of God in order to become one with the "Altar and its four horns." He now, as the Lord Cyrus can begin to evolve and roll out!

My sad duty to such who want "no new earth," or another "Angel man," I am compelled to throw into their faces, these words of Koresch,

"THE FINAL UNITY, IS, THE TRANSLATION OF CYRUS" INTO EDGAR.

"This union, will establish the root, from whence, the (four) horns are projected."—G. S. Vol. 3. The Jews of old gladly ran to the "four horns of the Altar," for protection! But, the "foolish" of our day, would rather live in tents, than humble themselves! To such beware, for "These four are united, to form an interior zone," of force! These "four are the vicarious aspirations of the soul." These four aspirations, every "soul under the Altar," must take possession of before, they can come out from under the influence of the Altar! These four "form an interior zone," and Edgar's final function is to project the cone, or the conarium; the seven, who are the heart, of, the head! For the head of the woman, is, the "White stone" or "Central Man" the eight, upon whom the seven eyes were set, determined to pierce the anointed or the husband of the Motherhood of God—the Christ within this "white stone" man.

"THE FINAL FUNCTION OF THIS UNITY PROJECTS, THE CONE,

which forces an opening." The opening or piercing of the seventh seal the anointed, within "his tangible physical domain, the Elisha of this age." The cone or conarium, is, the "wedge." The wedge of seven men, who desire or aspire through jealousy to be the first to see Aaron's rod begin to blossom! When they are convinced, that their jealousy was occasioned by Anti-Christ, they will be wise enough to "Acknowledge," (not Cyrus, but,) the Messiah, and then, confess their sins in order to enter the sex fire of purification! It is not a woman but the "complete man" that for the present does all of the projecting that is necessary now; for, he has the "four parts of the word," or the "interior zone" to project!

Only six women could behold the seventh invisible Mother Lord Ann, the "Hidden Seraph," whose head is the man, the "head of the church and

SAVIOR, OF, THE BODY."

According to Eph. 5:23, "the husband is the head of the wife, even as Christ is the head of the Church; and he is, the Saviour of the body," I have given you the excerpt from the pen of Koresh, that "She, is, the Christ;" therefore, the Mother Lord Ann Lee, is the *headstone* of the Primitive Church, now in her descent. The members of that church, Cyrus maintained, comprised 13 persons! They descend as seven into the seven channels; but the six women "functionaries" make the 13 that must awaken and conjoin with their original 13 "interior angels," in order that they may now become the *first fruits* of the "real resurrection," resurrected from their own concentered *interior wills or tombs!* The eight or the "complete man" is the "woman's head," the "head of the Sphinx," whose body is that of the "white lion," 144,000 immaculately white Sons of God. The riddle is now unraveled but the man is not destroyed. The sandy foundation of the Sphinx has been removed by John the Revelator! The revelation as to the Golden Number is manifested. And "at" the eight, the "Central Man," the center of the "Little Group," *Elijah has been consumed!* The Golden numbered company, are "The Seven Seals,"

A SELECTED GROUP,

chosen of the Lord."—Science, 1896 Edition page 15. The "Complete man," is the "Restoration," who projects, the "one word," into these seven channels, who are "illuminated as of themselves." When they are convinced that their jealousy was infused into them by *Anti-Christ*, they will then, "acknowledge (not Cyrus, but) the Messiah," to whom they will "confess their sins" the sins of their own souls. "I am the Resurrection and the Life." Elisha has both these spirits as his "double portion," and who dare gainsay now? Cyrus passed through one conjunction with his own interior angel, the woman, and now with the six more conjunctive conflicts he has made the seven degrees whereby to obtain perfection as to life; the "consciousness of Deity."

If you my hearer intend to deviate just one iota from the "written word," the foundation of the "Communicated word," depend upon it, that your progress must come to an end. Many times have I presented the following convincing excerpt to your notice, for your own progression; and if you will not heed its importance toward progression, do not ever even try to blame me! On it depends all your future achievements!—You know as well as I do that the Messenger of Conjunction came "in" the mortal flesh of Dr. Teed, so you have no excuse.

"THE MORTAL FLESH THAT IS TO BE DESTROYED BY THE FIRE OF TRANSLATION.

After which, the same messenger becomes one with the Father. Now, it is difficult to distinguish, between the condition of this messenger, in the state of mortal flesh, and his state immediately after his conjunction with the Father."...Because of this difficulty of ablation now presenting itself I command you to be on the watch; for the "Special Son" has united with the Father, in the "one form." These "states" and "conditions" of the messenger, have separated friends, caused suicides, etc., in this "absolute conjunction" between the two male cherubs, so beware, for there is but one "narrow way" of attainment! And for the rectifying, "He constitutes the Restoration." Therefore, all must give honor to whom honor is due; for the "Central Elaborator," free of charge, brought to your minds those grand excerpts of which you knew nothing about, and many of you have admitted this fact! Such a host of excerpts the very cream of his work, concerning the "Central Elaborator;" the preparation of the "Chosen woman!" The "Elisha of this age." The "two stalwart men!" The "two male forms," or the "two cherubs" with Seraph and Cherub within! The "Hidden and Manifest Seraph!" The "Order of the Golden Bowl," with "a candlestick all of Gold" to rest upon; with "her seven lamps and seven pipes" of Gold, the "Gold of Humanity!" The Throne or the "consciousness of Deity," and the Altar, the "reincarnation of Jehovah!" The "Central," the "Special," the "Little," the "a group," the "immediate group," and many other groups! "Translation" by "degrees" and "processes of transmutation!" A "Special Son," a "Special manifestation" of the "image and the likeness," in "a man and a woman," with "two forms!" The "final reunion of four beasts!" the "zone or cone of force," in the "one form!" The "veil of the Temple," the "gold of immortality," the very "flesh of Christ," and lastly, the "Projection of the Deific Motherhood into arch-natural tangibility!" Sufficient to make any man sane indeed! And what thanks have I received for the efforts put forth? Nothing but thorns have been strewn in my path-way to make my life the life of the "lowest hell!"

Thank God, that through suffering, "I am what I am!"—For the "new natural soul" has arisen through the loss of the natural parts of Cyrus! The soul has been purified by the fires of regeneration, and resides in the "complete man." Sword of Sept. 1910 says "This complete man, has the Celestial, the Spiritual, and the new natural soul." And who can take this soul away from him? "The final reunion of these four, is

THE RESURRECTED MAN."

Consequently, "He constitutes the Restoration," and restores the "souls under the Altar," to "their former estate!" "He" is the "Restorer of the breach," and not "a woman," as some think! "He" contains the "Special Son." Some say, "I did not know that there was to be any "Special Son," nor a "Special manifestation!" You will know now, if you never knew before meeting with my literature; and you will also know that there is a Special or "distinct process," in contradistinction to all other "processes," in the "absolute absorption," of the circumferential man, by the Central Man; which absorption was an "absolute" necessity, for the perpetuity of humanity! Now listen and obey, for if you do not obey now, you will not be a Koreshan!

"KORESHANITY DEFINES A CENTER AND A CIRCUMFERENCE; hence THE ABSORPTION OF THE SPECIAL SON OF GOD

who rises to the central consciousness, into an integral unity of the center! Thus, the Son becomes the Heart of the Universe! This is a distinct process, from the absorption of the Son of God." Kindly remember the difference existing between the two, the "Special Son," and the Son of God's absorption!—Especially, the "absolute absorption" of the man Cyrus by the "Central Man" Edgar! The one pole, Elohist, and the other pole, Jehovistic! There is a necessity for the "Centralization of the forces," into the Elisha; where the forces unite, and form an "interior zone" of force! In the White Horseman, the old angel man's departure by "exinanition," the appropriation by absorption of the products of the White Horse, by his successor, the Elisha or Red Horseman, was made possible, and who is thereby made a "Central" and "Complete man," the "New Earth" or new "angel man," containing the three "new" heavens! The "descent was into the body," of Elisha, where the "perfect conjunction" took place, after many conflicts with the fires of lust, etc.—The 1870 conjunction with the Father was not a perfect one, for Cyrus had to live the life, to obtain what he therein learned! After living through the six more conflicts, the perfect conjunction was consummated; for it was "the perfect conjunction of the Father and the Son, in the natural humanity,

THE LORD'S ANGEL."

That must settle our differences for evermore. Now, I will finish this excerpt to convince you, that this same "new angel man" does all the projecting necessary, for, his time and season;

"AND THROUGH HIM, THE COMPLETE CONJUNCTION OF GOD, WITH HIS AGGREGATE MAN; the amplified humanity must occur!" You have had these following excerpts to profit by; that "The humanity of a certain character WILL ATTAIN IMMORTALITY, IN THE BODY, IN THIS WORLD."

That "all those who constitute the first, or highest heaven ARE GATHERED INTO ONE MAN, AS THE SPIRIT OF PROPHECY, AS THE HEAD, THE WAY."

So, it is very conclusive, that this "Spirit of prophecy," is none other than the concentered degree of the spirit of Elijah the Prophet, in the "one form" of the Elisha, in which form Eli and Jah had their final and perfect conjunction; which in consequence makes the discrete Elijah, the concrete or

"FINAL ELIJAH," IN EDGAR.

And through Elisha, the "complete conjunction of God, with his aggregate man, the amplified humanity," has yet to see accomplishment in Elisha's union or conjunction with the "Seven Channels of impartation;" for Elisha is the Eight, "of" these seven! Elisha is "channel" now opened for imparting to them the "Communicated word," that was once represented by the four beasts, as the "four parts of the word." This body is the house of the friends of Cyrus; it is the "physical, tangible domain, of the Elisha of this age," now opened; in which is the "fountain for sin and uncleanness." "A fountain opened in the House of David, for sin and uncleanness" Zech. 13:1 And, it is, "Bless the Lord, from the fountain of Israel." Psalm 68:26. Did not Cyrus say "From the Altar, declared he his Son?" Therefore, to Elisha and from him to the seven soul thrillers.—Which conjunction could not be understood perfectly, until after it had occurred.—For,

"THERE IS AN ABSORPTION WHICH COMPLETES THE CENTRALIZATION OF THE FORCES OF BEING!"

It is the absorption of the Regenerated Son, who is made THE SON OF REGENERATION, BY THAT FINAL OVERCOMING, which enables men to attain to, immortal life, through the REVELATION OF DIVINE SCIENCE."

Therefore, all your science amounts to practically nothing! Not until now, was it possible to get it direct from the Lord Cyrus by revelation, through the form of Elisha, his medium of impartation, the only safe "Head," and "the way" to obtain the "communicated word," the "flame of Theocrasis."

Koresh was regenerated, rejuvenated through the Prince of Peace, the Jah that rideth the three heavens within Elisha! It was a "male," that traveled with the "second child," the purified Branch of the Vine, Jesus! It was the Hidden Seraph within Elisha, who gave him a second birth! This second child, stands up in the stead of, the first child, Jesus, according to the Preacher! Eccl. 4:15.

"THE ABOVE PROCESS OF DEMATERIALIZATION, is the appropriation of that flesh, which by this conjunction, HAS BEEN MADE IMMORTAL."

But Estero wants no red horseman to appropriate the flesh products of Cyrus; yet, he emphatically stated that the Red Horse succeeds the white horse, in whom he would ride the heavens with his white army! You can now comprehend, that this flesh appropriation by Elisha, gives him an incorruptible or immortal body, as per above excerpt! Doubters, what of it? Koresh said that he would "lose his personality, but not his individuality." Beware, lest you pierce that "individuality," in David's house, by your pricks of insinuations, etc! The "new natural soul," may give you the time of your life, if you do! The "White Lion," was to eat that flesh; consequently Koresh must have considered, that the "White Stone," who is the "Central man" must be, the "White Lion," whose body is to be white or immaculately cleansed from the pollutions of his interior Seraph or soul! When Elisha "accompanied" Elijah, and was "present" at his departure, did not Elijah tell Elisha, that if he could see him "go up" with the eyes of understanding that he would be enabled to eat him by appropriation? Well, thank God, Elisha was a white man, and capable enough to eat him "up," "up into" his own Jehovistic supraconsciousness; which completed their oneness or "integral unity!" The Lord Cyrus is the overcomer, and the "Messiah;" who will now move "from within," the seven angels to cognize their own "interior" parts, of the seven worded Spirit of God! The "oil of joy," will now run from the "Golden Bowl," that rests upon a "candlestick all of Gold." And through the Golden pipes the oil of joy will run into the seven Golden Lamps, who comprise the "arch-natural tangibility," the "Selected Group, chosen of the Lord;" Chosen by the Lord Cyrus and the Mother-Lord Ann Lee, who will "move every angel from within," the second male Cherub, Edgar, in whom the Hidden Seraph and Hidden Cherub through marriage, abide!

Mother-Lord Ann Lee was born in England, Feb. 29th, 1736! In due honor to the Anniversary of this her one hundred and eightieth birthday, "from Joseph" are projected her New Jerusalem thoughts or spirits, into the "thought world" of those who constitute the "arch-natural tangibility." Not however, through or from the personality of "a woman;" because "through Him, the complete conjunction of God, with his aggregate man, the amplified humanity occurs." And also because through the one male Cherub's absorption by the other male Cherub, the first "perfect conjunction of Father and Son in the natural humanity, the Lord's Angel," took place, to make this "projection of the Deific Mother" possible! The first, a "perfect conjunction" in a man; and the second a "complete conjunction" of God with the larger or "aggregate man the amplified humanity." In contradistinction therefore to the "a certain character," whose "natural humanity attains immortality in the body in this world." For Cyrus declared that "all those who constitute the first or highest heaven are gathered into ONE MAN," who had to be born under the sign "Aquarius" to make "Him" the bearer of the pitcher containing the water, or the "Divine Science."

In other words, the Lord Cyrus and the Mother-Lord Ann with their Spirits, are gathered into one man, the Lord's angel, the natural humanity, "from thence," from Joseph, projected into the "Special Group" and 288,000 men and women, the "amplified humanity." The Mother-Lord as "the head," and Emmanuel as "the way," or vice versa. This "one man" is truly a deceiver, and head of the "Selected group," who "by evil and good report are deceivers, yet true." 2 Cor. 6:8.

"WHAT BE THESE TWO OLIVE BRANCHES,

which through the two golden pipes, empty out of themselves the Gold?

THESE ARE THE TWO CHRISTS,

the anointed ones that stand by the Lord of the whole earth." Margin Zech. 13th Chapt. Thus Mother-Lord Ann, and the Lord Cyrus with Emmanuel, in the Elisha and the Elisha-Ann comprise the Godhead of the new creation. The "Central Elaborator" of the "acquired Sonship," is the Elisha, and the "Elaborator of the Sons of God" the Elisha-Ann! When Ann becomes the "manifest Seraph," she will be the final Elisha! The union of the "two branches" fulfills Johanna Southcott's prophecy of "the branch of, the Branch." The absorption of the one branch by the other branch, which causes the one branch to remain over into the world to come. He is the one "candlestick all of Gold," containing the good and flesh of humanity, of the "first or highest heaven."

Zechariah 4th Chapter

With HER Bowl on Top of it!

AND HIS SEVEN LAMPS THEREON; WITH SEVEN SEVERAL PIPES TO THE LAMPS."
