

A Particular Forecast

JULY—3 A. M.—1915

Since the "Special manifestation" of the Truth made flesh "in" the "two forms: man and woman" has obtained, and because that it is to be of very short duration, I, Edgar Samuel Peissert, without reservation, emphatically state, that according to the "written word" of Cyrus, one of these "two forms" must be obliterated, so that the "doubling up of the twelve into one" (form) may manifest "this very same Jesus" in his new name, "Shiloh," and as the Lord Cyrus! In consequence thereof, this must bring either a martyrdom or insanity to, the one form to be obliterated, through the loss of such thoughts or spirits! It is for you to determine if it is the "man" or the "woman," by the "Spirit of discrimination."

If Jesus, in his obliteration, made his "Pass-over," into the "male" form of John, who was the "Cloud" in which Jesus ascended, then, "this very same Jesus," must "return again" in the very same cloud, or a male, "John, the transitional life of male (Cyrus) to the female," (the "female John,") in order to fulfill the only scripture passage of its kind, i.e., St. Luke 21, 27: "And then shall they see the Son of man coming

IN A CLOUD."

Cyrus the male was the "man," and the "other cherub" is the second male cherub or the "Son of man"; the Son of the Man Cyrus!

Analogy requires that if we have had a "Man of Sin" in our very presence, then there must be "a son of perdition" as well, who as a seed or germ man, must become a waste in the humanity, into which he is absorbed, to arise in newness of life in the end of another age and another harvesting time.

This "Son" of the "Man" Cyrus, is an "acquired" son, who comes as "He, the Lord our Righteousness," with "healing in his wings" or knowledges, long before "She the Lord" can be manifest as the "Manifest Seraph" and "Motherhood of God."
