

TRIBUTE TO VICTORIA

Beth Ophrah, Apr. 10, A.K.60

May joy attend thee this day!

Victoria Gratia Koresh, Blessed of the Lord,
Pre-Eminent of the Koreshan Unity, Greeting,
In the NAME of the LORD:

By the authority vested in me, who holds the keys of the Kingdom of Heaven, and in whose authority things in earth are bound in heaven, and things loosed in earth are loosed in heaven, I even I, have chosen thee by virtue of my authority, not because thou art worthy, but because thou hast been in preparation for the ages past, for the function for which thou shalt be perfected, and to the end of thine anointing, which shall hereafter come through my own hand.

None but thee could answer to the divine call, because none but thee hath been led through the transmigrations of the ages, to the specific use to which the Lord calls and perfects thee. Thou wert called to meet the Lord; and cheerfully didst thine answer re-echo the mandate, and faithfully hast thou borne the adversities and burdens of an infant cause. Thou hast been a Succor and a Saviour, and thou shalt be the Mother of divine generations, and the Sons of God shall glorify thee, the Blessed One.

My people will look to thee for the demonstration of righteousness, for in thee shall be fulfilled the consummation of many hopes. They will learn to call thee Pre-Eminent from their hearts and from their souls, and to favor and to nourish thee as the Bee of the hive loves and sustains the Queen. That my people may love and cherish thee, thou wilt give to them the fulness of all thy powers of virtuous devotion and watchfulness. Thy radiations will warm them into vital unity, so that their lives will be thy life, and thy virtues and thy contributions of loveliness and favor shall kindle the fires of everlasting joy in them. Beam upon my people the radiance of that feminine nobility, the royalty of which proceeds only from the throne of God. Be thou the place of the celestial altar, and the bosom of that divine sacrifice in which the throne of God shall rest. Let the Chosen One enter into thy soul, when conjunction shall energize the Sons of God.

This is the tribute of CYRUS to the anointed Motherhood, Empress of the Imperial Dominion of Koreshanity. May its sanctity impress you, and the favor thus divinely bestowed sink deeply into your grateful heart, and the time speedily come when all shall know that God hath chosen the weak things of the world to confound the mighty.

CYRUS, SHEPHERD, STONE OF ISRAEL.

God protect, comfort, strengthen, and defend thee, Victoria, and finally make thee perfect in all that is righteous and virtuous. Amen and amen! Again, God bless and protect thee, and my people cherish thee. Amen!

SOCIETY KORESHAN UNITY

I commend you to her, yet to be revealed, of whom it has been said: "And this is the name wherewith SHE shall be called, THE LORD OUR RIGHTEOUSNESS;" that when through the coming materialization she shall be conspicuously manifest, you all may be found at rest in the bosom of her benignity.

Victoria will be all that, through your own charity, you may reasonably expect.

**CYRUS, Messenger of the Covenant,
High Priest of Levi.**
